

Collaboration

- ❧ What are your goals for this group project? Get an A? Just complete it? Experience/Practice writing an essay and giving a presentation as a group? Learn more about Rowling and Dickens? Their works?
 - ❧ Are you interested in this assignment? To what degree? Your experience working in groups? With technology? Your experience researching and writing literary analysis essays? Giving oral presentations?
 - ❧ What limitations do you have as far as spending the necessary time completing the project? Other limitations?
 - ❧ What do you see as your responsibility as a member of a group?
-
- ❧ How will you avoid group think? Specific strategies you will set up as a group to push each other, to come up with and debate ideas? Tell each other when you need to do better?
 - ❧ How will you avoid negative conflict?
 - ❧ How will you write and present collaboratively – planning, drafting, revising, editing? How will you keep due dates and deadlines clear?
